BUILDING INDUSTRY ASSOCIATION OF FRESNO & MADERA COUNTIES

Sustainable Groundwater Management Act (SGMA)

**Wednesday May 17th at 11am
Fort Washington Country Club**

The Sustainable Groundwater Management Act, which was adopted by the State Legislature and signed into law, will affect our industry. Work is now underway to develop Groundwater Sustainability Plans for the various subarea water basins in Fresno County. Our panel will provide information on how SGMA will change the way water is supplied, used and monitored in the future.

- - - GUEST SPEAKERS - - -

**Gary Serrato,
General Manager, Fresno Irrigation District**

Mr. Serrato is actively involved with the Fresno County Water Advisory Committee, Kings River Water Association, Friant North Authority, Upper Kings River Water Forum as well as various regional water committees.

**Bernard Jimenez,
Deputy Director of Planning, Fresno County**

Bernard Jimenez oversees Fresno County's land use and environmental planning program and was awarded the Distinguished County Planning Agency Employee Award in 2013.

**Ronald Samuelian
President, Provost & Pritchard Consulting Group**

Mr. Samuelian has worked primarily in the area of water resources, focusing on groundwater recharge, groundwater banking, and other conveyance and water supply infrastructure improvement planning and project efforts.
