Purpose and Goals: The PWB is organized to enhance BIAFM in any way that will prove beneficial to the industry and the betterment of the association and the community.

The PWB works to achieve the following goals:

- (a) to be the organization representing women in the building industry,
- (b) to be a conduit of information, education and to provide networking opportunities for women in the building industry,
- (c) to be a strong voice in protecting the interests of the building industry by serving as an advocate for legislative and regulatory issues,
- (d) to be a resource for political action for the building industry,
- (e) to be a positive force in the building industry by mobilizing members to support local, state and national goals and objectives, and
- (f) to provide support to non-profit community organizations and to furnish scholarships for students seeking careers in the building industry.

And it is our goal to raise funds for noteworthy causes, be they political, educational, community service or the overall enhancement of women in the building industry.

In making this application, I agree to abide by the Bylaws (and all amendments thereof) and Articles of Incorporation of the National Association of Home Builders Professional Women in Building and affiliated local councils herein and above mentioned.
